THE FUN NEVER ENDS

NEW ADD-ONS

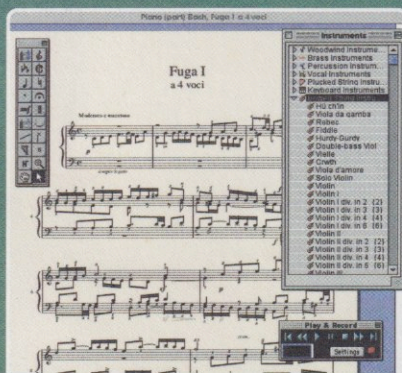

If you've played StarCraft and Brood War and you just can't get enough, it's time to move on to Expansion Packs. **Fall from Grace** is just one in a series of high-quality, user-built add-ons for Brood War. The legacy lives on!

JOIN THE PROS!

The big boys and girls are using it—why shouldn't you? **Commotion** is a powerful tool for video and film, created by the folks at ILM.

MUSIC OF THE NEW MILLENNIUM

Igor Engraver is a powerful and affordable choice for writing scores and composing music. Hey, it's free! How can you go wrong?
