

MAY IS A TIME TO PLAY!

MacAddict CD-ROM 57

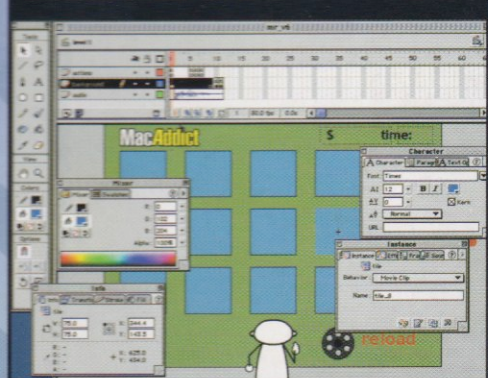

MAY 2001

FOR THE HEROES

One of the most addictive third-person, role-playing, hack 'n' smash games on the planet is **Diablo II**, and it's time you tried it.

MAKE WEB SITES THAT ROCK

With **Flash 5**, not only can you make animated Web sites, you can make them completely interactive.

ZONE OUT THE SIMPLE WAY

Turn out the lights, spark up Enya, chill, and maybe save your screen with **Dots the Screen**.

MacAddict

Score:
3620

Time bonus:
8613

Balls:

Colibricks breaks the mold of the classic genre with multiple balls, realistic collision detection, and a wild arrangement of bricks.

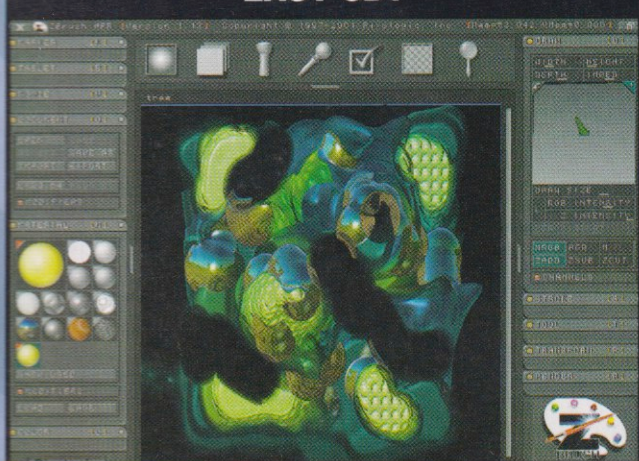

ALSO ON THE DISC

Audiocorder 2.0.2, N2MP3 Pro 2.0.2 demo, Lurk 4.3, SweetMail 2.08f8 beta, MacZoop 2.5, CopyPaste 4.4.2, Soul Savers, AutoCat 2.9.1, pwKeeper3 3.2, Morse Mania 1.9.6

CD on back

KILLER WARES AROUND!

EASY 3D?

Zbrush uses simple tools to "paint" three-dimensional objects! Great for the 2D artist who want 3D effects!

FOR THE STRATEGY MASTER

Play a valiant hero in the **Heroes III Complete** demo—three titles bundled for the Mac.

HOW DO I ∂ÉÅ&?

Ever wonder how to type certain symbols in a given font? **Font Finder** will tell you.
