MacAddict CD-ROM 59 JULY 2001

SPARK YOUR ARTISTIC SIDE

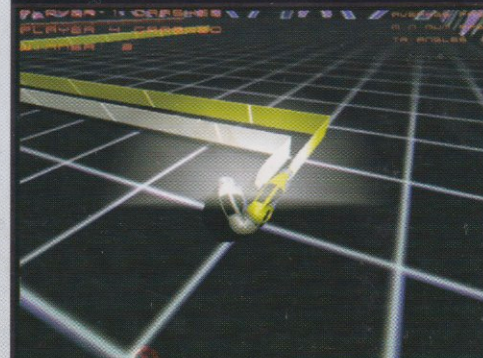

Master the craft of multimedia while soaking in the shade with **eZediaMX**. Look for an exclusive special offer!

FEEL THE SNOWY BREEZE

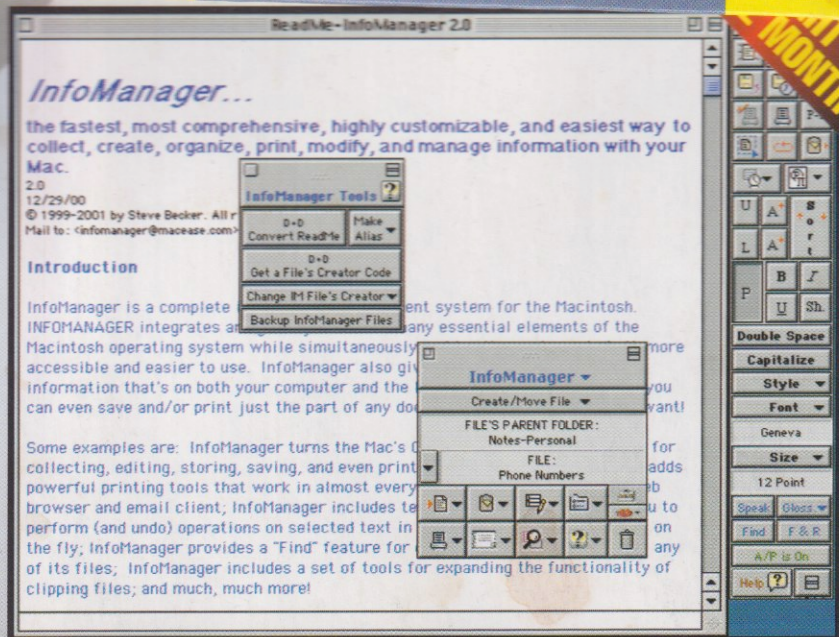

Linux fans already know what it's like to stay indoors. Try **Tux Racer**, the icy Linux game ported to Mac OS X.

RELIVE THE ELECTRONIC PAST...

...if you're old enough, that is. **glTron** may be the most faithfully reproduced game of the movie *Tron*, ever.

Handle your documents and files more efficiently with **InfoManager**.

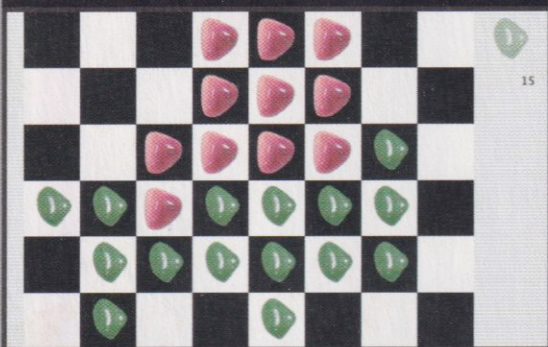

ALSO ON THE DISC

RTF2Text 1.0 freeware, Prowler 2.1.2 shareware, PhotoGrid 1.8 shareware,
Floatpad 1.2 freeware, Password Retriever 1.5.2 shareware, Search & Rescue 3.0

CD on back

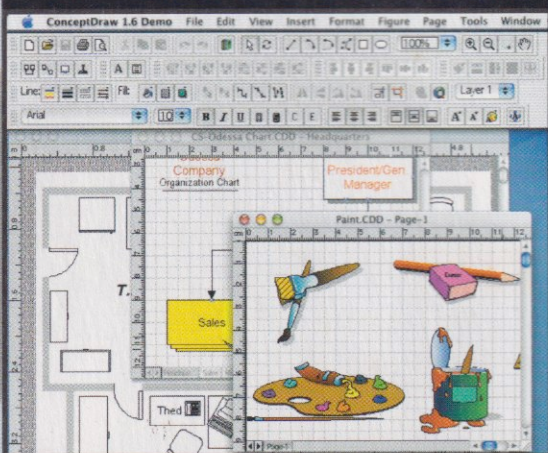

PREPARE OR PROCRASTINATE

FEEL THE COOLNESS OF AQUA

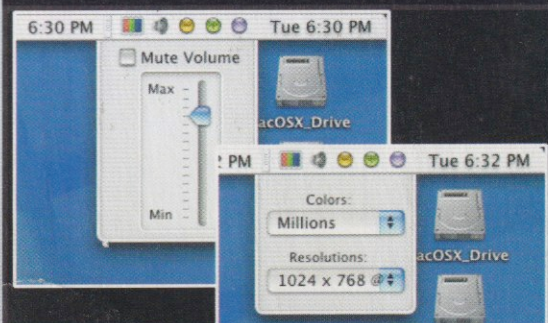

Cocothello puts a new face on the old game Othello. Completely Mac OS X-native, it will provide hours of one-on-one fun.

PLAN YOUR LIFE THROUGH AUTUMN

Express your thoughts through a unique concept management program called **ConceptDraw Carbon**.

CHILL

Mac OS X audio and video just got easier to manage thanks to a simple menu bar addition called **MenuStrip**.
