OCTOBER 2001

SCREEN CAPTURE FOR OS X

Snapz Pro X is a handy screen-capture utility that runs natively in Mac OS X.

POP!

Cute but aggressive, **Airburst** is like a cross between Breakout and bumper cars.

ABSOLUTELY LARA

Dare we say it? Lara is back in **Tomb Raider Chronicles** and it's up to you to, like, save the world.

A Megaload of Software!

62

This month's Disc is filled to the brim with the freeware and shareware mentioned in this issue.

Plus a full version of Freeway 2.0.3 LE—all yours with no hassle! A MacAddict exclusive!
