- Bert Altenberg's Unix Tutorial Part 2

November 2001

Alice has come for you!

You've been waiting for her, and now she's here.

63

Plus animators rejoice! ToonBoom Studio for Mac OS X has arrived.

MacAddict

MacAddict

CD-ROM 63

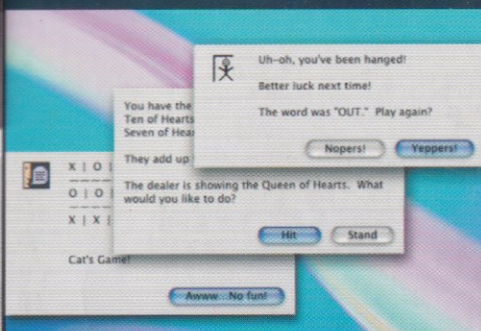

NOVEMBER 2001

SLITHER, STALK, OR SHOOT

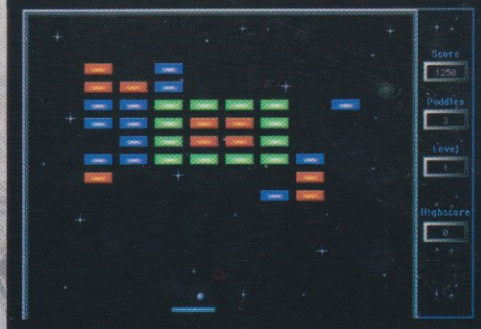

In the **Aliens vs. Predator** demo, you play one of three species and combat the enemy with your unique weapons.

UTILITIES GONE STUPID

Mac OS X brings some unique possibilities. **Stupid AppleScript Games** is one of the best we've seen.

ANOTHER BREAKOUT?

You'd better believe it! But if you don't want to pay for another variation of the classic game, don't worry. **Powerball** is free.

SLASH AND HACK WITH GRACE

HIGHLIGHT OF THE MONTH

Fire up the **Alice** demo, where you can live out your homicidal urges, and wear a blue dress and apron to boot!

ALSO ON THE DISC

Angle Fireworks 1.0, NetFungus 1.0.4, Russian Roulette 1.0, Live Channel Free 1.1,

CD ON BACK

ALICE DEMO ON THE DISC!

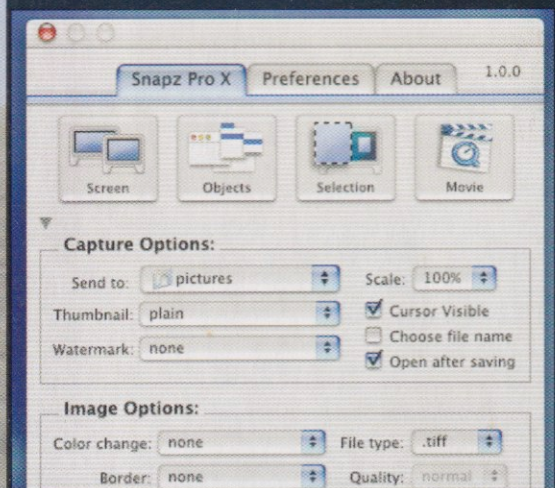

FOR GOOD MEASURE

ISN'T HE CUUUTE?

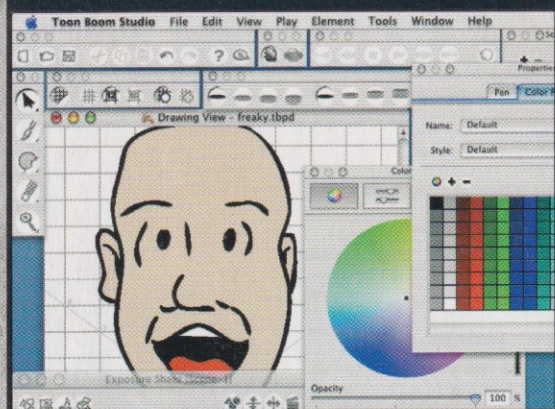

Push Push Cartoons is a free, charming game that will hook both kids and grownups!

GRAB SNAPZ, DROP GRAB

This month's Shareware Pick of the Month is **Snapz Pro X**, a screen-capture utility that puts Apple's Grab to shame.

LAST BUT NOT LEAST

Toon Boom Studio for Mac OS X is the killer app for Web-based 2D animation.

GNARLY GNOVEMBER!
